

Support at the International Level

Mirova is a member of several international initiatives that support the development of responsible investment practices, as well as green and sustainable finance:

UNEP FI :

Member of the Investment Committee of the UNEP Finance Initiative, which seeks to bring together the financial sector and the United Nations Environment Program. Mirova participates in the Positive Impact Finance working group, as well as the Investment Commission and Sustainable Stock Exchange Steering Committee groups

PRI :

Signatory of the Principles for Responsible Investment, which seek to promote responsible investment practices internationally. Mirova commits to respect and ensure its continued commitment to the 6 principles. Signatory organisations are required to respond to an annual questionnaire and to publish a follow-up report. Mirova is also a member of the E&S Steering Committee, Fracking Steering Committee, Human Rights Steering Committee, and the Nominations Steering Committee.

CISL :

Partnership with the Cambridge Institute for Sustainability Leadership, an institution of Cambridge University that acts to inform and support business and policy leaders to take action on issues of global importance, such as sustainable development.

IIGCC :

Member of the Institutional Investors Group on Climate Change, a forum for collaboration on climate change, that brings together more than 120 institutional investors.

GIIN :

Member of the Global Impact Investing Network, which seeks to promote impact finance at the international level.

Ceres :

Member of CERES and the Investor Network on Climate Risk. CERES is global organisation that motivates businesses to act on climate change. The Investor Network on Climate Risk is a grouping of over 120 institutional investors that address climate change while investing in low-carbon opportunities.

US SIF :

Member of the US Forum for Sustainable and Responsible Investment, a group that advocates developing sustainable and responsible investment throughout all asset classes.

Support at the European Level

HLEG on sustainable finance :

The High-Level Group on sustainable finance is a European Commission supported assembly of 20 experts in the field of sustainable finance. Mirova's CEO, Philippe Zaouati, was selected as a member in December 2016. The group will formulate a series of proposals for the European Commission on how to better integrate sustainability into the financial system.

EU HIGH-LEVEL EXPERT GROUP ON SUSTAINABLE FINANCE

EUROSIF :

Hervé Guez, director of responsible research at Mirova, is a member of the EUROSIF board and represents the French Social Investment Forum.

Support at the French Level

Paris Europlace :

Member, through Natixis AM, of the Paris Europlace association, which is the organisation in charge of promoting and supporting the development of the financial centre of Paris. Mirova is an active participant in the Paris Green and Sustainable Finance Initiative, an initiative launched in May 2016. Mirova also participated in the Paris Europlace working group on Green Bonds and infrastructure.

FIR :

The French Social Investment Forum (*Forum français de l'Investissement Socialement Responsable*). Mirova participates in the CorDial initiative, a platform for dialogue with companies on issues related to Sustainable Development and Corporate Social Responsibility. Mirova is also on the Board at the FIR, as well as the research committee.

SRI Label Committee :

The SRI Label is a French investment label that provides individual and institutional investors with a greater level of clarity on socially responsible investment funds. A committee was created in order to ensure the good functioning of the label and its development.

CSR Platfor (Plateforme RSE) :

The CSR Platform is a permanent working group within *France Stratégie*, a French government think tank. The objective of the platform is to promote the development of CSR practices in France.

Asset Management

AFG :

The *Association Française de la Gestion Financière* brings together players in the French asset management industry and promotes their interests. The association is also dedicated to the promotion of ESG issues through the work of a dedicated committee, of which Mirova is a member.

EFAMA :

Mirova is a member of EFAMA, the main association of the European investment management industry. Mirova participates in the working group on responsible investment and corporate governance.

Green Bonds

ICMA-Green Bond Principles :

Mirova participates in ICMA's Green Bond Principles, which seek to create unifying standards for the green bond market through transparency and disclosure. Mirova is also on the Board and executive committee of the group, as well as the working groups Defining Green, Impact Investing and a working group on social bonds.

Climate Bonds Initiative :

Membre de la *Climate Bonds Initiative*, association de développement du marché des green bonds afin de réduire le coût en fonds propres des projets luttant contre le changement climatique.

Sustainable Infrastructure

GIB :

Supporter of the Global Infrastructure Basel foundation, a Swiss-based group that promotes responsible infrastructure investments.

GISB :

Mirova supports and is a member of the Global Infrastructure Sustainability Benchmark, which seeks to develop standardised tools and methods for comparing ESG practices in infrastructure investments.

GRESB :

Member of the Global Real Estate Sustainability Benchmark, a global association that provides members with extra-financial data in order to properly assess real estate and infrastructure assets.

Private Equity:

AFIC :

Mirova is a member of the *Association Française des Investisseurs pour la Croissance*, which is a group that connects French asset managers. Members of the AFIC are actively engaged in financing local growth in France through investing in SMEs.

Transparency and Disclosure

CDP :

Signatory, through Natixis, of the Carbon Disclosure Project, which seeks to improve the quality of carbon/climate information disclosed by issuers.

Integrated Reporting :

Member of Integrated Reporting, which seeks to define an Integrated Report that must contain, in a synthetic and interconnected form, relevant financial and extra-financial information relating to the company.
